# *Policy 3: Nunawading Kangas Walkover and Forfeit Policy*

**Purpose**

The purpose of this document is to outline the policy of the Nunawading Kangas Basketball Club for walkovers/forfeits and the payment of walkover/forfeit fines.

In the event of an occurrence not covered in this policy eventuates, the matter will be resolved by the Executive of the Kangas Committee (President, Vice President, Secretary, Treasurer & Registrar).

**Drafted By** Darren Wharton

**Passed By** Nunawading Kangas Committee

## WALKOVER DEFINITION

- A Walkover occurs where a team fails to take the court with at least 4 players present and 10 minutes has elapsed on the match clock.
- The Association must be notified when a team is giving a walkover/forfeiting a game and this can be done by "submitting a forfeit" through Teammo.

- The team giving the walkover (failing to play) will be charged a $150 walkover fee at the time of submitting the walkover.
- The opposition team will be awarded the win and the points on the ladder

The walkover fee for finals matches is usually double to normal fee.

*NB: Please note, in some Association documents and procedures and Teammo, the terms “walkover” and “forfeit” are used interchangeably, to indicate a team failing to play a game.

**WALKOVER PROCEDURE**

- As soon as a team becomes aware that they will not have enough players to field a team for their game, they should attempt to find suitable fill-in players, ensuring they comply with the relevant Association bylaws..
- If the deficiency is known in advance, particularly at the beginning of the season (eg, in the case of a school camp), the Competition Co-ordinator can request a bye for that date, or for Kangas vs Kangas to be fixtured, provided the Association can accommodate that request. This will avoid or minimise the fines incurred.
- If unable to find fill-in players, the Team Manager or Coach must notify their Age Group Co-ordinator. The Co-ordinator will attempt to find fill in players (and thus avoid the walkover fine). Whilst every effort will be made to find fill-in players, we cannot guarantee players and the onus for the forfeit will fall on the team.
- If fill-in players still cannot be found, the Team Manager should use the “submit a forfeit” option through Teammo to notify the opposition and the Association.

**PAYMENT OF WALKOVER FINES**

- When the walkover (forfeit) is submitted through Teammo, the $150 fee will automatically be charged.
- As Team Sheet Fees are now collected and prepaid for by the Club, $94 will already have been paid and only the $56 penalty portion of the fee actually remains to be paid by the team involved. The Team Manager should collect contributions from the team members to cover the penalty amount.
- The Team Manager should apply to the Club for a refund of the team sheet fee portion of the fine through the “Request a refund” link on the Club website.

---

**FORFEIT DEFINITION**

- A forfeit occurs when a team uses ineligible players, including fill-in players, for a game. Ineligible players include players that already play in a team in the **same** age group, players who are too old, or who usually play in a higher grade.
- There is no fine for a forfeit, but points on the ladder will not be awarded if the team wins.
- The Association should be notified if a team needs to use ineligible players and therefore forfeit the game.

**FORFEIT PROCEDURE**

- As soon as a team identifies the need to use ineligible players for a game, and therefore cause a forfeit, the Team Manager should notify their Age Group Coordinator.
- The Age Group Coordinator should notify the Competition Coordinator, who will inform the Association.
